Good Morning,

Attached, please find a copy of the crime update for the week ending 10/8/16 for LAPD Basic Car Area 3A19. This reporting area includes North University Park, El Salvador Community Corridor, and adjacent communities.

In the past week, we had a significant increase in violent crime, however of the ten incidents, five have resulted in an arrest. Additionally, detectives are working on leads provided to them for the three October 2nd robberies.

Of the six bicycles stolen, three of them were Fixie Bikes and all three were located to the rear of a residence with some type of locking device in use.

As a reminder, LAPD Southwest encourages the community to report any and all suspicious activity to 877-ASK-LAPD / 877-275-5273 or for emergency situations, 911. Anonymous tips can also be shared with Crime Stoppers at 800-222-TIPS / 800-222-8477.

We would also like to invite you and your families to join us in a weekend of fun October 28th-October 30th. We will be hosting our Community Carnival along Martin Luther King Jr. Blvd. between Normandie and Western. Proceeds help the LAPD Community Youth Programs, so your support is much appreciated. Ride Tickets are half price and available at the police station prior to October 28th.

Tip of the Week: For missing or damaged street signs, red curb re-painting, and faded road striping (including "STOP AHEAD", limit lines, etc), please send a request to the Dept of Transportation:

Please let me know if you have any questions or if there are any specific areas of concern in the community.

Sincerely,  
Paul
